- Together we can each help nurture a sense of belonging where we live, work, and go to school. *It all starts with small gestures— a kind word, an offer of support or understanding.* If we plant enough, pretty soon, more will be sprouting up all around us! By sprinkling these seeds of empathy and compassion, we can work towards a world without bullying and "Let Kindness Grow" through all of our community gardens.

Thank you, Susanne Young, Principal, & Shane Riley, Vice-Principal

School Climate Survey

This year TVDSB is inviting all students in grades 5-12, parents and caregivers with children attending TVDSB schools to share their voices. We want to learn more about how members of school communities experience life at school.

Feb. 24 to Mar. 06 - Grade 5 to 12, will also be invited to complete an online survey during class. The survey asks questions about their experiences and feelings related to school life, such as safety, connection and belonging, and learning and physical environment. Students in Grades 7 to 12 are also asked questions about themselves (e.g., gender, race, religion/creed) to help understand if aspects of students' identities relate to their views about and experiences at school.

For Frequently Asked Questions and information, visit <https://www.safe-schools-rents/your-school-your-voice.aspx>
