- The weather is not very predictable! Spring or Winter?? Make sure your child is dressed for whatever the weather may bring, and has spare clothes for slips in the mud or puddle.
- Scooters! It is that time of the year again when the scooters and bikes come out. Make sure that you talk to your child about walking the scooter on school property for the safety of the EC community as it is very congested at arrival and dismissal times. Scooters must have a lock as we will not be storing them in the office.
- Are you wanting to volunteer to go on a class trip or drive another student to a sporting event—make sure you have everything you need on file!
 - Vulnerable screening Police Check
 - Volunteer Confidentially and AODA form
 - Application for Volunteer Drivers—if transporting a child that is not your own

Call the office at 519-452-8050 for forms and information.

Thank you, Susanne Young, Principal, & Shane Riley, Vice-Principal

Coming Up:

Positive Attitude

- ✓ Look for the good in people and things
- ✓ Speak in a kind tone
- ✓ Be grateful
- ✓ Choose the mindset that uses the words, "I can" and "It is possible"

This month we are looking for the positive Attitude in our school. Recognize when you see them at home too!

Its not too late to order for the School Council Hot dog lunch!

RESTORATIVE PRACTICES AT HOME CLICK HERE

If you are looking for ways to help your child make and keep good relationships with you, their brothers and sisters, and their friends, using Restorative Practices at home can help you find ways to improve how people get along and make friendships stronger.

When we ask questions in a kind way, it helps us understand how others feel and think. It also helps people who are having a problem take charge of fixing it. Practicing these questions at school and at home will make our school community stronger and help us get along better.

Using feeling words is a great way to show how we feel and what we need. When we name our feelings, it helps us learn more words to talk about our emotions instead of acting them out. It also helps us see how our actions affect others.
