Important Info

Kindergarten Registration is now OPEN for September 2026.

Thames Valley District School Board is excited to welcome you and your child to Kindergarten. Registration will be open from October 22, 2025 until January 30, 2026. To be eligible for registration for the Kindergarten program, children must be four years of age by December 31, 2026. To register for Kindergarten, please complete the on-line pre-registration form found on TVDSB'S main webpage at www.tvdsb.ca. If you do not have access to technology, please contact the school to complete the paper registration form at the school.

Early Pick-Ups

We understand sometimes situations come up where parents/guardians need to sign out their children early, however, unless necessary we ask that you **wait until school is dismissed at 3:30pm**. Early sign-outs are very disruptive for the class and interrupts the students learning time. **Please note we will no longer be allowing sign-outs after 3:15pm.**

We introduced Terry Fox through our school run and will be raising money for cancer research until the end of October. If you would like to make a donation please click on the link below.

TVDSB urges road safety for drivers, pedestrians

With students back in school, and increased vehicle traffic around all its schools, the Thames Valley District School Board would like to remind students, parents, and drivers about the ABCs. **Always Be Careful** when it comes to driving, walking, or crossing near schools. Here are some ways to keep yourself, and others, safe when near one of the schools in our area.

For drivers and cyclists

- Slow down when you are in a school zone or any area where children can be seen walking.
- Avoid distractions, such as cellphones or loud music.
- Be extra careful if it's raining, snowing or if the road is wet or snow covered.
- Obey all road signs, including speed limits, stop signs and no parking areas.
- Follow directions from crossing guards.
- Provide enough space for cyclists.
- If you are driving children to school:
 - Do not park in no parking zones
 - Have children exit from the passenger side of the vehicle
- Pay attention to your surroundings and be prepared to stop for people looking to cross the road.
- You are legally required to stop for pedestrians at a pedestrian crosswalk.
- Stop for school buses and be aware of children running in front of or behind buses. There are serious consequences for not stopping for a school bus.

For families walking to school

- Use the sidewalk; avoid walking on the road if possible.
- Always cross at an intersection or crosswalk.
- Look both ways when crossing any street.
- Avoid distractions while crossing.
- Don't assume someone in a vehicle can see you, or that it will stop for you while crossing the road.
- When at a pedestrian cross walk, make sure you stand next to the designated crossing sign to show drivers you want to cross.
 - Cross only when traffic has come to a complete stop or the road is clear.
 - If there are flashing beacons, press the button to activate.
